HSFI Remote Learning Code of Conduct

BASIC GUIDELINES FOR ONLINE LEARNING

Stay Engaged and Focused

- Check into each class according to the published schedule
- Participate in the learning by completing assigned work and responding to teacher posts or requests for feedback
- Communicate with your teacher if there are circumstances that limit your ability to be on your computer during scheduled hours or to complete work on time
- Ask your teacher for help if you are confused by a lesson or feel like you are falling behind.

Creating a Culture of Respect and Support Online

Being respectful means ...

- Remember that all of our [Acceptable Internet Use Policy](#) is in effect during Remote Learning. All violations will be addressed.
- I will be respectful to myself and others.
- I won't bully and won't tolerate bullying by others.
- I will not post anything online that may intentionally cause hurt, distress or embarrassment to others. I will not post photos or videos of my friends without their permission, especially if I think they wouldn't approve
- Do not take a screenshot/video of your screen while in a live class or chat of any sort.
- Do not disrupt class! Please do all you can to support the learning process for yourself and others.
- Any student communicating and participating in any media must meet the expectations of the school dress code. There should not be identifiable materials posted or in view within a backdrop.

Failure to adhere to this code of conduct may result in disciplinary action. We are going to take this Code of Conduct extremely seriously.
